## The **Sanctuary** at work:

CV's Sanctuary is the only shelter for runaway and homeless teens in Westchester County. Every year, we provide shelter to approximately 200 Westchester teens and help to another 5,000 vulnerable kids through the shelter's outreach program that includes street outreach teams and a 24/7 hotline.

Below is a letter we received from a grateful teen:

Dear Sanctuary Staff,

I just wanted to tell you thank you 1000 times! Thank you for keeping me on my feet. Thank you for helping me turn my life around. Thank you for motivating me. Thank you for all the effort and hard work you put up just to see me smile.

I walked in that door, I had a very tough start, but now, because of you, I'm walking out getting the help I need like a responsible and completely different human being who now has more respect for myself and others.

I will miss you so much! You are the best.

Love,  
Magelin B.
