

Martin Luther King Jr. Day Make a Difference in the World Bingo!

I said "thank you" to my parents.	Free Space: CV Volunteers make a Difference!	I created a gratitude jar.	Free Space: MLK Fact: Dr. King won the Nobel Peace Prize in October 1964.	I gathered food from our pantry and donated to a local food bank.
I did a chore for my parents without them asking.	I cleaned my room and found toys I can donate.	I mailed paper hearts to my local grocery store.	I made a handprinted craft for my grandparent or elderly neighbor.	I made a simple bird feeder for my yard.
Free Space: Dr. King gave over 2,000 speeches in his lifetime.	I sent a letter to a friend.	Free Space: More than 450 people volunteer at CV each year.	I hung up a rainbow art on my window as a sign of hope.	Free Space: Dr. King entered Morehouse College at the age of 15.
I picked up trash in my neighborhood (and used gloves!)	I made a card for my teacher.	My family ordered takeout to support local business.	I looked out my window and waved to people passing by.	I painted rocks with words of kindness and left them in my neighbors' yards.
I organized or participated in a car parade to make someone's day.	Free Space: Dr. King is the only non-President to have a holiday in his name.	I called or video chatted someone who is quarantined alone at home.	Free Space: We love our volunteers!	I created my own act of kindness: _____ _____ _____
